## Outside Learning: A walk on the wild side!

Recently, Year 1 went on a trip to Paradise Wildlife Park in Broxbourne. This was part of their Topic 'Who Shares Our World?' They really enjoyed the educational visit and found out lots of information about many different animals. They had their lunch whilst watching the tigers. The tigers watched Year 1 imagining that they could be their lunch!

**Reminder:** Please encourage your child to fill in their home learning book every evening. Your child needs to do this every day and you need to sign the home learning book at the end of the week. Please can we also remind you that you need to mark your child's homework book before it is returned to school.

## Meet the new School Council members.

Children have been applying for the role of school council members in Key stage 2 classes over the past few weeks. Anyone who was interested in become a school council member had to write a manifesto saying why they would like the chance to be one and explain what qualities they would bring to the post. This week the children had to read their manifesto to their class members so they could vote for the people they thought would be best for the job. Each class voted for 2 boys and 2 girls.
