

A comment from our parents come to school day on 27th April.
"Overall, a great experience. Friendly staff and smiling faces everywhere".

The English countryside at WDPS

If you look on our website you will see a short film about the two days of art that involved every child in the school. As well as learning new art techniques, the children learned the names of some creatures of the countryside. Follow the tab :Learning – school events.

Year 2 Chicks

Year 2 had an incubator in class which hatched 3 chicks.

All classes went to see the chicks.

Look on the website for a short film

Follow the tab: Children-year 2.

Newham Speechmaking Competition

Sadiyah, in year 5, entered a speechmaking competition at East Ham Town Hall. She both wrote the speech and learned it by heart. Watch the speech on our website, follow the tab: Children — year 5.

The Queen's 90th Birthday

In spite of the drizzly weather, we had a big party in the playground to celebrate the Queen's 90th birthday.

Thank you to all the parents who turned up with delicious food and joined in the celebrations.

Jenny, our singing teacher, taught us some country dancing. As well as getting exercise, the children had to listen to instructions and work together.

It certainly helped to keep them warm.

The film can be seen on the website follow the tab: Learning-school events.

Parents' Come-To-School day and E-Safety

Thank you to the parents who joined us at school on Wednesday 27th May.

However, many parents missed very useful workshops on e-safety. We will be sending out more information on this at a later date.

Thank you for any feedback too, we will summarise the comments in a future newsletter. The comments were both positive and helpful.

London Maths Challenge Count on Us

Rayane, Zubayr and Sadiyah went to City Hall to take part in this competition for London schools. This was our first time entering and we came 6th out of 13. Congratulations!

Our usual year 6 reporters and editors are busy revising for their tests. They'll be back soon.

Communicating with school governors

Should you wish to contact school governors there is a post box in our front entrance.

Alternatively, you can email them at governors@williamdavies.newham.sch.uk

Wake and shake

Wake and shake in the playground is intended to get the children fit and ready for learning.

It does not mean that school starts later.

I have noticed that some children not arriving as promptly as before.

I will be asking staff to note children who are not in the line at 8.55am. This will then be marked as late.

If you have any queries please see Ms Patel at the gate.

Mrs Maher

SATs

National tests

There are short films on the website about year 2 and year 6 SATs. Follow the children tab and then either year 2 or year 6.
