ONLINE SAFETY

Our Online Safety day is on 19th May. Children in each year will be participating in activities that focus on how to be responsible e-citizens and stay safe when using the internet.

It is important that parents remain vigilant regarding what their children do on the internet.

We also ask children to think about how to use the internet responsibly and stay safe online.

Our e-cadets are on hand to help you stay safe online!

For more information about E-Safety, visit our website > Safe School

CCTV

CCTV has recently been installed at key points around the school site.

This means we now have CCTV coverage on both school gates.

The new equipment was funded by the Local Authority and will ensure our school remains safe.

MR WOODWARD CONQUERS THE MARATHON!

Congratulations to Mr Woodward who completed the London Marathon on the 23rd April! He was taking part to raise money for Lupus UK. The marathon is a 26.2 mile course around London. That’s the equivalent of 105 daily runs in the playground!

Mr Woodward did not give up, even when he was tired and finding the challenge difficult. He demonstrated our school value of *resilience* and completed the marathon in 7 hours and 2 minutes.
