

Charging & Remissions Policy

Reviewed and updated February 2018

Introduction

This policy has been formulated in accordance with Authority's guidance on Charging for School Activities.

The purpose of this document is to help the Headteacher and Governing Board set out their policy on charging and remission for school activities and school visits.

Schools must ensure that they inform parents on low incomes and in receipt of the benefits listed later in this policy of the support available to them when being asked for contributions towards the cost of school visits.

Sections 449-462 of the Education Act 1996 set out the law on charging for school activities in schools maintained by local authorities in England. Further information is given in "A Guide to the Law for School Governors" (Chapter 23). This guidance accurately reflects the terms of the Education Act 1996, but it is not a substitute for those terms. This guide is also referred to in paragraph 1.82 in the School Admissions Code, and in paragraph 1.97 in the revised School Admissions Code (in force from 10/2/09).

The Governing Board endorses the guiding principles contained in the Act, in particular that no child should have his/her access to the curriculum limited by charges.

Pupil Premium

Schools receive additional funding for each child in receipt of Free School Meals. This funding can contribute towards additional costs for families in receipt of this benefit.

Aim

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented, and the circumstances under which voluntary contributions will be requested from parents.

Responsibilities

The Governing Board of the School are responsible for determining the content of the policy, and the Headteacher is responsible for implementation. Any exceptions with respect to individual parents will be considered by the Headteacher.

The Governing Board recognises the valuable contribution that the wide range of additional activities, including clubs, practical activities, trips and residential experiences can make towards pupils' personal and social education. The Governing Board aims to promote and provide such activities both as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities. If a particular activity is limited to a specific

number of pupils, the inclusion of pupils must not make reference to the ability or willingness to pay on behalf of the parent.

Prohibition of Charges

The Governing Board of the School recognises that legislation prohibits charges for the following:

- Education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- Education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- Tuition for pupils learning to play musical instruments if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- Entry for a prescribed public examination, if the pupil has been prepared for it at the school; examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school;
- Education provided on any trip that takes place during school hours;
- Education provided on any trip that takes place outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- Supply teachers to cover for those teachers who are absent from school or accompanying pupils on a residential trip;
- Transporting registered pupils to or from the school premises, where the local education authority has a statutory obligation to provide transport;
- Transporting registered pupils to other premises where the governing Board or local education authority has arranged for pupils to be educated;
- Transport that enables a pupil to meet an examination requirement when he has been prepared for that examination at the school;
- Transport provided in connection with an educational trip.

Charges

The Governing Board reserves the right to make a charge in the following circumstances for activities organised by the school.

- Activities outside school hours including clubs;
- The full cost to each pupil of any activities deemed to be optional extras taking place outside school hours, including residential visits;
- Individual/Group Instrumental Tuition outside of that provided through the ECAM and Wider Opportunities schemes. In such cases the charge will not exceed the cost of provision. Children in Care who wish to have instrumental tuition are entitled to free tuition.
- Breakages.

Residential Visits

A charge will be made for the cost of board, lodging and travel costs, subject to statutory exceptions. The cost will not exceed the actual cost of provision. See remissions for further details.

Music Tuition

Although the law states that all education provided during school hours must be free, music lessons are an exception to this rule.

The Education and Inspections Act 2006 introduced a regulation-making power which allowed the Department for Children, Schools and Families to specify circumstances where charging can be made for music tuition. The new regulations, which came into force in September 2007, provide pupils with greater access to vocal and instrumental tuition.

Charges may now be made for teaching either an individual pupil or groups of any appropriate size (provided that the size of the group is based on sound pedagogical principles) to play a musical instrument or to sing. Charges may only be made if the teaching is not an essential part of either the National Curriculum or a public examination syllabus being followed by the pupil(s). At WDPS this would be tuition in addition to the Key Stage 2 Wider Opportunities and/or Every Child A Musician (ECAM) programme, a project funded by the Mayor of Newham whereby all pupils in year 5 and year 6 have instrumental tuition.

Breakages

In cases of wilful or malicious damage to equipment or breakages, or loss of school books or equipment on loan to pupils the Headteacher, in consultation with the Chair of the Governing Board, may decide to make a charge. Each incident will be dealt with on its own merit and at their discretion.

Clothing

The uniform list provides the maximum flexibility to parents as to where they can purchase uniform items and regarding style in order for parents to obtain best value. The school will supply essential protective clothing when necessary e.g. safety goggles.

Voluntary Contributions

The Governing Board may ask parents for a voluntary contribution towards the cost of any activity that takes place during school hours. Parents are under no obligation to make any contribution and pupils of parents who are unable or unwilling to contribute will not be discriminated against. In the event of insufficient voluntary contributions being made the activity may have to be cancelled and refunds will be given.

Parents may also be invited to make a voluntary contribution for the following:

- Educational visits which take place outside school hours.
- Any activity which takes place during school hours.

The terms of any request made to parents will specify that the request is for a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents:

- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay; and
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The responsibility for determining the level of voluntary contribution is delegated to the Headteacher.

Remissions

Where the parents of a pupil are in receipt of state benefits which would entitle their child to receive free school meals, the Governing Board will remit the majority of the cost of board and lodging for any residential activity (classed as an optional extras taking place outside school hours). This is made clear in all correspondence in relation to these activities.

In other circumstances, the Governing Board will invite parents to apply in confidence to the Headteacher for the remission of charges in part or full. The Headteacher in consultation with the Chair of Governors will make authorisation of remission.

Charges for Early Education

We are an approved provider, offering the Early Education funding entitlement for 3 and 4 year old children. Government funding is intended to cover the cost of delivering 15 or 30 hours each week for free, high quality education only. It is not intended to cover the cost of meals or additional hours.

We offer the full entitlement of 15 hours each week or 30 hours each week if the parents are eligible. The free funding is available in full as long as places are available (we can take a maximum of 26 children in any one 3 hour session.)

Parents of children attending for 30 free hours are offered the facility to pay for an additional 3 hours and 45 minutes per week so that the attendance hours are inclusive (8:45 - 3:30.) The current rate is £195 per term which is payable in advance. Lunches are not provided by the nursery and parents are asked to send a packed lunch in from home if the child is staying all day.

The free entitlements will be delivered consistently so that all children accessing any of the free entitlements will receive the same quality and access to provision, regardless of whether they opt to pay for additional time. A deposit is not charged to secure a place in the nursery. There is no registration fee. The entitlement is offered free.

When applications for admission to Nursery are received parents are made aware that they can apply for 30 hour provision and we are affiliated with a number of voucher schemes whereby parents can claim tax back for childcare.

This policy can be found on the school's website and hard copies are available from Main Reception for parents to view.

However, the Governing Board reserve the right to review the Charging and Remissions Policy as necessary.
