December 2017

What a busy autumn term!

Wow, where did that first term go? Your children have worked so hard this school term and have completed lots of tasks, activities and challenges. It's great to see their Growth Mindset at work. They are now looking forward to their winter break. We hope everyone has a safe and enjoyable time whatever you and your family are planning this holiday.

Reception and Nursery children were shining stars on Friday 15.12.17 at their Nativity Production. They enthralled both parent's and staff with their play.

Coming Soon: Watch out for the letter home!

Aim: To promote reading for enjoyment in order to improve outcomes for WDPS children.

In other words; children who read at home with parents or carers are, on average, ahead of those who don't have this opportunity.
