Dear Parents / Carers,

It is vital that we ensure all staff are trained in the new procedures and measures to be put in place to welcome children back in September, so we have allocated additional staff development days at the start of term.

It is equally important that children have the time and the guidance to enable them to understand the new expectations, that teachers have time to assess their learning needs and time to support them back into school.

This is our phased approach to return to full-time school at William Davies.

_____ should **come to school this week: MONDAY 7th - FRIDAY 11th SEPT.**

_____ will be given activities to complete at home and **should not come to school this week: MONDAY 14th - FRIDAY 18th SEPTEMBER**

ALL CHILDREN will return to school from **MONDAY 21st SEPTEMBER.**

You are only required to send your child into school on these dates. You will not be fined for the days they are learning at home.

Only Nursery and Reception parents will be allowed on the school site, in accordance with our risk assessment.

Please socially distance when you drop off and collect your child.

On arrival, children will go straight into class, via the outside door of the classroom.

School summer holidays are almost here and Newham Council will be offering children and young people an exciting programme of fun activities and events seven days a week. From 21 July, they will take place at parks, open spaces and virtual online spaces.

Activities include roller-skating, football coaching, arts, music and completing a reading challenge; all in a safe, socially-distanced way. It's free and a digital map is being created to help everyone find out what's happening and where. Visit

<https://www.newham.gov.uk/children-families/activities-young-people-newham/1> after 15 July for more information.

I do hope you and your family are able to enjoy the Summer whilst still staying safe.

Yours sincerely,

Ms Norris (Headteacher)
