

Coronavirus in children

If your child has:

- a high temperature
- a new, continuous cough – this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
- a loss or change to sense of smell or taste – this means they cannot smell or taste anything, or things smell or taste different to normal

DO NOT SEND THEM OR ANY OF YOUR OTHER CHILDREN TO SCHOOL

- Take your child for a test as soon as possible.

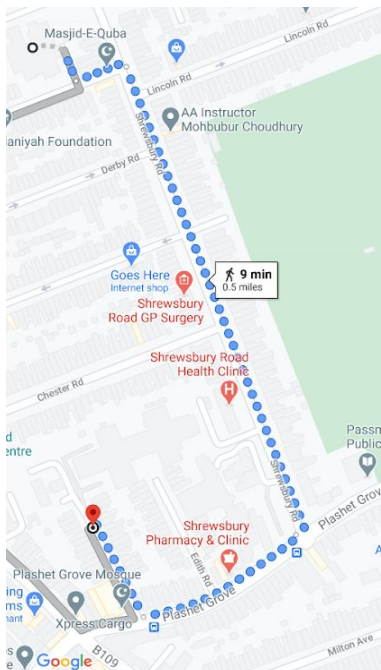

Walk-in

No appointment necessary.

Go to: (car park) Hilda Road, London E6 1DB

Opening hours are 8am to 8pm

- Stay at home and do not have visitors until you get the test result – only leave your home to have a test.
- Anyone you live with must also stay at home until you get the result.
- Negative test? - Call us 02084723864
- Positive Test? - Call us 02084723864 - Household stays inside for 14 days.

Coronavirus Rules - Child

Call: 020 8472 3864

If...	Action Needed	Return to school when...
... my child has coronavirus symptoms.	<ul style="list-style-type: none"> ● Do not come to school ● Get a test ● Self-isolate ● Inform the school of the result 	...the test comes back negative.
... my child tests positive for coronavirus.	<ul style="list-style-type: none"> ● Do not come to school ● Inform the school ● Self-isolate for at least 10 days ● Contact school daily 	... they have been at home for 10 days and they feel better. (Even if they still have a cough or loss of smell/taste as these symptoms can last even after the infection has gone.)
... someone in my household has coronavirus symptoms.	<ul style="list-style-type: none"> ● Do not come to school ● Self-isolate ● Household member to get a test ● Inform the school of the result 	... the household member's test is negative.
... someone in my household has tested positive for coronavirus.	<ul style="list-style-type: none"> ● Do not come to school ● Self-isolate for 14 days ● Contact school daily 	... the child has been at home for 14 days.
... NHS track and trace have identified my child as a 'close contact' of somebody with symptoms or confirmed case of coronavirus.	<ul style="list-style-type: none"> ● Do not come to school ● Self-isolate for 14 days ● Contact school daily 	... the child has been at home for 14 days.
... we / my child has returned from another country and has to self-isolate for a quarantine period.	<ul style="list-style-type: none"> ● Do not come to school ● Self-isolate for 14 days ● Contact school daily <p>(Note: No leave is allowed in term time. Consider quarantine requirements and FCO advice when booking travel.)</p>	... the child has been at home for 14 days.
...a member of our household has returned from another country and been told to self-isolate for a quarantine period.	<ul style="list-style-type: none"> ● Your child <u>can</u> come to school ● The household member must avoid as much contact with other people as possible in your home in order to reduce the risk of transmitting coronavirus. They should stay in a well-ventilated room with a window to the outside that can be opened, separate from other people in your home. 	
...we have received medical advice that my child must shield.	<ul style="list-style-type: none"> ● Do not come to school ● Inform the school ● Shield until you are informed that your child may return to school. 	.. a medical professional says your child can return.

Other absences: Please ring the school each morning if your child is unwell or has a medical appointment.
