Dear Parents/ Carers,

We are writing to inform you that a member of our school community is isolating at home because they have had a positive COVID test result.

This person is not in your child's bubble.

We have been advised to follow the national guidance and to isolate the affected bubble.

As a precaution, we have thoroughly cleaned areas with which the person came into contact.

We realise this is concerning for parents, but please be assured that we have acted quickly in line with our risk assessment and national guidance to ensure that the risk is minimised as much as possible.

This for your information only.
Your child should still attend school as normal.

We are continuing to monitor the situation and are working closely with Public Health England. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The school remains open and, as long as your child remains well, they can continue to attend school as normal. We will keep this under review.

Further information is available at:
<https://www.nhs.uk/conditions/coronavirus-covid19/>

If you have any further questions please contact the main office.

Yours sincerely,

SANorris

S. Norris
Headteacher
