Dear Parents and Carers,

I hope your family liked the call from your child's teacher last week. I know the teachers enjoyed catching up with all of you.

Some teachers said that some of you have not been outside at all since school closed. I have attached a reminder of the social distancing rules which explains that **you can go outside for exercise** every day. A short walk will help you all get some fresh air and makes a break in the day.

This week, when the teachers call, you can ask any questions you have about the report which was sent to you. Remember, the call will come from a 'private' or 'withheld' number but please do answer.

I recognise the challenges of home learning in the current crisis but would like to encourage you to continue the great job you have been doing, following the learning set by the teachers.

I hope your family are keeping well and look forward to seeing you soon, when we are allowed to open the school.

With all best wishes,

Ms Norris

Social distancing rules explained
