Date: Thursday 19th March 2020

Dear Parents and Carers,

We have given your child one of our school laptops for use at home when the school is closed.

Please connect it to your wifi at home and make sure they can access the internet.

This laptop can stay at your home until school opens again. Please look after it.

It is not a toy and it is not for use by the adults in the house.

If you have more than one child at William Davies Primary School you must make sure that all the children have equal access to the laptop so they can complete the Home Learning.

Activities for Home Learning will be available on our school website from Tuesday 24th March. I will send a text when they are available.

www.williamdavies.newham.sch.uk

Your child will need support to access the wifi, the website and understand the learning that is provided.

Please let us know, tomorrow (Friday) if you are having difficulty accessing the internet on the laptop.

Yours sincerely

Ms. Norris

Headteacher
