

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> • Working on Numbots - your child will have an individual login to access this. • Sumdog challenges - your child's individual login is on the online access sheet. • Play on Hit the Button - number bonds, halves, doubles and times tables 2, 5 and 10s. • Practise counting in 2s, 5s and 10s. This game could support this. • Work on a shopping list for the weekly shop and get children to add up how many items and add up the cost of some items. This game could support work on making amounts of money. • Practise telling the time. This could be done through this game (scroll down to access the game). Read to the hour and half hour. • Write the numbers 0-50 in words and digits. 	<ul style="list-style-type: none"> • Reading a variety of books at home. Your child could share a book everyday. This can be reading a book aloud everyday or sharing a book with an adult. Here are some tips when reading aloud to your child. https://www.ruthmiskin.com/en/find-out-more/parents/#lq=1&slide=5 • Listen to a story read, on oxford owl.  https://www.oxfordowl.co.uk/ Use the 3p's (pause, prompt, praise). What is the ... doing? How do you know? If ... happened to you what would you do? • Watch Newsround and find out what is happening in the world. What did you find out? Is there anything you need help understanding? • Create a bookmark, perhaps you could choose characters from your favourite stories. • Complete a book review on one of the books you have read - what did you like about it? Would you recommend it to anyone?
Weekly Phonics/Spellings Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> • Daily phonics - your child to practise their sounds and blend words. Follow this link to show how to say the sounds in set 1 - set 2 to follow: https://williamdavies.newham.sch.uk/learning/helping-your-child-at-home/ • Interactive games found on link below. • Phonics Practice Real words and nonsense words. • Top Marks • Spelling • Spell these words: owl, snow, cried, field, glass, love. • Spell common exception words: the, I, put, no, of, my. 	<ul style="list-style-type: none"> • Family: Look at a family in a traditional story - how are they different to your family? Can you write sentences comparing the two families? • Take a look at a variety of poems with your child. Ask them to pick their favourite poem and learn it off by heart. Write your own poem https://www.poetry4kids.com/topic/family/ • Write a letter or postcard - find out about different postcards and why people write them. Can they design the front of the postcard and then plan what to write and who they could write it too. • Keep a diary of things you do in the week. • Ask your child to create a story about their family. Who will be the main characters? Where will the setting take place?

Learning Project - to be done throughout the week: **My Family**

The project this week aims to provide opportunities for your child to gain a better understanding of their own family. Learning may focus on what different makeup of families, what traditions your family has, stories linked to your family etc.

Family: This is time to find out about their family and traditions they follow. Ask them to think about: Who they live with? How many adults? How many children? Sort family members into height order - Who is the tallest? Who is the shortest? Is the tallest family member the eldest family member? Children **draw around every family member's hands** - could the fingers in fives. Children **draw around their feet** - count the toes in twos. **Interview a family member** - this could be a family member that lives with them or a family member that lives somewhere else. Write down some questions they would like to ask them then phone them to ask the questions. **Draw a picture of their pet** or a pet they would like to have. **Draw a picture of their family.** Can they talk about their picture to a family member?

Draw a self portrait: Ask your child to think about which materials they use to draw? Can they find different materials around the house to help?

Create a card: Ask your child to design a card for someone in their family. It can be a birthday card, thank you card or a card to tell someone how much they love them!

Draw a family tree: Look at photographs of your family members and discuss where they would go on a family tree. Have you met everyone? Is there anyone you could interview and find out more about?

Design a personal coat of arms shield for the family: Find out what a coat of arms shield means. Ask them to begin to think about their design. What could they draw? What does it mean to them? Ask them to think about the colours and shapes. If they have some cardboard around the house they could make a shield to give to a family member.

Create a booklet all about the family: Name the people in their family and write sentences about them? Who are they? What do they call them? What do they like or dislike? Why are they special to them? Get a photograph or draw a family member then write some sentences about them.

News Reporter for half a day: Their challenge is to interview family members and find things they like and dislike. Write down things they like and dislike. Compare these to someone else in their family. In your interview they could create flashcards with words such as: colour, clothes, food, drinks, books, places, music and then ask a family member to pick a flash card and talk about their likes and dislikes.

Data detective Ask your child to look at people in the house. What colour is their hair? Eye colour? Favourite colour? Favourite food? Ask them to collect this and place it in a tally chart.

<https://www.j2e.com/jit5#chart>

Interview a family member: Interview a family member that doesn't live at home with them. Allow your child to ask them about their childhood. Who did they live with? Who is in their family? Have they got any family traditions they follow and why.

Write an invitation to a family event: Ask your child to invite a family member to one of the following: (*talent show, music show, magic tricks, jokest*). In their invitation ask them to think about the time, date and place. How will they design the invitation? Who will deliver it?

Share the <https://family.gonoodle.com/activities/milkshake> movement and mindfulness video with their family. Who was the best? Which part did they enjoy? Could you create a video of your own?

Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.

BBC Ten Pieces
