Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to gain a better understanding of their own family. Learning may focus on what different makeup of families, what traditions your family has, stories linked to your family etc.

- **Let's Wonder:**

Who is in your child's immediate family? What other relatives do they have? How does their family link together? How many people do they have in their family? Why not spend time looking through old photos and talking about the people in their families. What family stories can they tell? How is life different to their parents? To their grandparents?

- **Let's Create:**

Create a piece of artwork entitled 'Family'. This could be a drawing, a self portrait, a sculpture or collage. This could be inspired by a well-known artist, or their own style. Here are some examples of [family portraits](#) created by other artists.

- **Be Active:**

Get active with [the Body Coach](#), who is streaming P.E. classes online every day at 9am! Stay active together and have a family workout. There are lots of [dance videos](#) you could try. Maybe try some [yoga](#).

Recommendation - at least 2 hours of exercise a week.

- **Time to Talk:**

Perhaps they could play a board game, facetime a member of their family they have not seen this week, enjoy a family indoor picnic, or have a family dinner.

- **Understanding Others and Appreciating Differences:**

Discuss how their family is different to other people's families. Discuss whether all families are the same.

- **Reflect:**

Find out what music their family members enjoy. They could listen to different pieces of music together with their family and talk about how it makes them feel, which instruments they can hear and any memories that it may spark.

#WDPSP LearningProjects

You and your child can decide how to record their learning. Some learning activities should be recorded in their home learning books, and others can be completed online. Some don't need to be recorded, just enjoyed by you and your child!
