

## Week 11: 1st June 2020

How to support your child's learning: involve your children in the things you are doing such as household chores. Talk with your children, ask questions too. Have fun!

Activities - Here you will find activity ideas for things you can do at home with your child. Areas covered are: Reading, Phonics, Maths, Writing and Movement.

Curiosity & Learning Project - Space - Help promote your child's curiosity by exploring outer space.

Weekly Reading Ideas	Weekly Phonics Ideas
Read a variety of books at home. Favourites can be repeated. Hearing the patterns of language in a story will support your child's language development. Encourage your child to recall what has happened in the story. Ask them to guess 'What might happen next?' or 'How the story might end?'	Support your child to practise their Set 1 or Set 2 sounds by accessing the daily RWI Youtube videos that can be found on <b>Google Classroom</b> or the <b>WDPS EYFS Page</b> Sounds and Spelling
Video Storytime - Watch children's authors reading their books aloud <u>Video storytime</u> .	Free eBook library - You can find books for your child to read to you on the Oxford Owl website, select 'My class login' and enter user name WDPSREC and password WDPSREC (choose age groups 3-4 or 4-5). You may find that some of the books are tricky for your child, so help them read the sounds or words that they know, and you can read the rest!
