

22/6/20

Nursery

Remember that children at this age learn through play, so have fun! Involve your child in the things you are doing including household chores and cooking. Talk to your child about what you are doing, and encourage them to ask questions.

Our Learning Project this week is Music. Take a look at the activities in the Learning Project box!

Weekly Reading Tasks

- Read a variety of books at home. Favourites can be repeated. Hearing the patterns of language in a story will support your child's language development.
- You can find some online stories to read to your child here [Booktrust](#). This site also has some suitable games and activities. The Cbeebies website [Cbeebies Bedtime Stories](#) has some Bedtime Stories your child might enjoy. It is important that you watch and listen with your child so that you can talk to them about the story and explain anything they might not understand.
- You can find more stories here [StoryLine Online](#) or [Openlibrary](#). Look for stories starting at suggested grade level K or Kindergarten.
- Join in with your child when they are playing with their dolls, cars, trains, animals or super-hero figures. Talk about what their toys are doing and help your child to make up stories.
- Talk about your child's favourite stories, ask about the characters they like and what they like about them.

Weekly Writing Tasks

- Give your child time to draw independently.

Weekly Phonics

- Sing Nursery Rhymes and songs together. Add in actions and change the words. Can children think of different rhyming words to add in? Repeat old favourites and learn new rhymes. You can find an A-Z of [Nursery Rhymes here](#).
- Have a look at the [Eatwell plate](#) together and talk about the different types of food you eat. Talk about which food is healthy, and which food we should save for treats! You can share this short book about healthy food with your child. [Our Good Food](#)
- Look together at this short book about keeping healthy.
- [How Do You Stay Healthy](#), Talk about how exercise is an important part of staying healthy. Try some of these games: [shake up](#).
- Stretch those limbs and do some yoga with [Cosmic Kids Yoga](#) or with [Monkey Yoga](#)
- Get creative with things around the house, [Making things](#)

Weekly Maths Tasks- Shape

- Count with the number blocks, see what numbers you recognise, [Count with the Number blocks](#)

- After drawing a picture, ask your child to try to write their name. The marks they make will resemble their name. You can then model writing their name for them.
- Pour flour, salt, rice or lentils into a shallow tray or plate. Let your child mark make using their finger. Talk to your child about the marks they make.
- Whenever your child finishes a picture ask them to tell you about it. You can also write what they say about the picture so that they can see you writing.
- **Playdough** - Make some playdough with your child and encourage them to stretch, pat, poke, roll, squash and squeeze the dough to develop strength in their fingers for writing. [Playdough recipe](#)

- Ask children to help you around the house “can you give me 2 spoons?” and any other objects around the house.
- Practise counting up to 10. This can be done through playing hide and seek, singing number songs, chanting, board games.
- Sing Number songs to practice counting and reciting numbers in order, for example Five Little Ducks, Five Little Men in a Flying Saucer, Ten Green Bottles. You can find some songs here [Counting songs](#).
- If you have building blocks or lego, give your child lots of opportunities to play with these toys.
- [Jigsaw puzzle](#): have a go at some online puzzles.
- Match the [musical instruments](#).

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about music. Learning may focus on listening to and performing music.

Story time

- Take a look at [Violet's Music](#), what does Violet use to make music?
- Music is all around us, take a listen with [The First Music](#).

Drummers Drumming

- Using pots, pans and baking trays from the kitchen lay out your own 'drum kit'. Allow your child to explore by banging and tapping the pans to see the different sounds they make. Extend this activity by tapping out a rhythm and asking your child to listen to it then repeat it. [Make your own music](#).

Creative

- Have a go at making your own musical instruments using boxes, elastic bands, and lentils or pasta, [Making musical instruments](#).

Music around the world

- Have a listen to different music from around the world, which is your favourite?

- [France](#)
- [Scotland](#)
- [Russia](#)
- [Japan](#)
- [India](#)
- [Africa](#)
- [Greece](#)
- [Spain](#)

Take a trip

- Take a trip to the ballet, [The Nutcracker](#). What music makes you happy? What music makes you excited?

Daily workout

- Do your daily workout with [It's a Small World](#).

Messy time

- Have a go at making coloured salt, and create colour pictures. [Coloured salt](#)
You will need salt, paint and a bowl.
