

Learning Project WEEK 2 - The area you live in

Age Range: Year 4

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> • Working on Times Table Rockstars - your child will have an individual login to access this. • If your child works on 'Numbots' in school they can access this with the same login. • Play on Hit the Button - focus on number bonds, halves, doubles and times tables. • Go to MathsWatch to access this week's personalised homework. Watch the videos to help you. Answer the questions and check the answers. • Adding totals of the weekly shopping list or some work around money. This game could support work on adding money. • Practise telling the time. This could be done through this game (scroll down to access the game). Read to the quarter hour and the nearest 5 minutes. • Get a piece of paper and ask your child to show everything they know about Subtraction. This could be pictures, diagrams, explanations, methods etc. They can be as creative as they want to be. • Practise counting forwards and backwards from any given number in 10s. 	<ul style="list-style-type: none"> • You could share a story together. This could be a chapter book where you read and discuss a chapter a day. • Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation. • Watch Newsround and discuss what is happening in the wider world. • Get your child to login to Oxford Owl, and read a book. Discuss what your child enjoyed about the book. • Ask your child to login to Reading Cloud and write a book review on a book that they have read. • Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word? • With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers.
Weekly Spelling Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> • Practise the Year 3/4 for Common Exception words. • Practise your spelling on Spelling Frame • Choose 5 Common Exception words. Write a synonym, antonyms, the meaning and an example of how to use the word in a sentence. Can the word be modified? • Choose 5 Common Exception words and practise spelling them using green vowels. Write the word and every vowel complete in green, e.g. spelling. 	<ul style="list-style-type: none"> • Write a diary entry summarising the events from the day/week. • Write an information report about their local area. Remember to include headings and subheadings. • Choose an interesting building they have found out about and write a list of questions they would like to ask. • Write a story about a stranger coming to their local area. Include: What happens? Is it a good thing? Or does something terrible happen? • Write a setting description to describe their local area. Include: What is in their local area? What do they like/dislike about it and why? • Take part in a writing master class on Authorfy. You will need to sign up to access this website, but accounts are free.

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about the area in which they live. Learning may focus on your local area, famous people, key landmarks and links to your city.

- **Let's Wonder:**

Think about their street: What type of houses are on their street? What type of house do they live in? What other buildings are close by? Find out about their local area. What type of buildings does it have? Compare the buildings, how are they similar or different? How old are some of those buildings? How have they changed over time? Use a map to locate different places. Look on [Google Earth](#). Draw their own map of their local area.

- **Let's Create:**

Choose a building they most admire in their local area. Make a model of that building using materials of their choice. You can choose to use playdough, [junk modelling](#), lego or any other materials available to you.

- **Be Active:**

Get out into the garden, pull up some weeds or mow the lawn. Does their garden need a tidy up? Maybe they could plant some seeds.

Recommendation at least 2 hours of exercise a week.

- **Time to Talk:**

Discussion question:

Were their family members all born in this local area? If not, how is their place of birth different to their own local area? If they were, how different the local area since they were born? Talk about their memories of how it has changed.

- **Understanding Others and Appreciating Differences:**

Research different places of worship that can be found in their local area. Can they find their nearest Church? Mosque? Synagogue? Temple? Gurdwara? What can they find out about them? Draw pictures and label them with any information they find out.

- **Reflect:**

Think about what would improve their local area? What is their local area lacking? What spoils their local area? What could be done?

- **Don't forget to check [Google Classroom](#) every day for updates! If you have any questions you can also ask on there! (Children that were not in last week, please accept the invite sent by Miss Islam)**

Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

Please note:

You and your child can decide how to record their learning. Some learning activities should be recorded in their home learning books, and others can be completed online. Some don't need to be recorded, just enjoyed by you and your child!
