## Learning Projects - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about sports and games.

- **Let's Wonder** - How many famous sports people can you name? If you are unsure, take a look at [this list](#). Choose a sports person and research them online. How did they become a successful athlete? Create a fact file or timeline about your chosen athlete.
- **Let's Create** - Create a logo for a William Davies sports team. Use [this website](#) to help you think about the design process.
- **Let's Get Active** - Take part in this football themed [Super Movers!](#) Get active with [the Body Coach](#), who is streaming P.E. classes online every day at 9am! Design a poster encouraging others to take part in sporting activities.  
**Recommendation at least 2 hours of exercise a week.**
- **Let's Talk** - Interview different family members about their favourite sports. Which sports they took part in growing up? What sports do they enjoy watching? What is their favourite sport to play? Remember to include yourself! Use your interviews to create a table showing all the different sports your family enjoy.
- **Let's Reflect** - Explore diversity in sport. Find out about the [Paralympic games](#) and famous paralympians such as [Ellie Simmonds](#). Watch [this video](#) about the Paralympics. Use it as inspiration to research a [British Paralympic athlete](#), or a [Paralympic sport!](#)

### Additional learning resources parents may wish to engage with

*The Oak National Academy is offering a schedule of daily lessons in English, Maths and a range of topic areas. Their schedule is published weekly on their website, click [here](#) to find out more.*

*BBC Bitesize is offering a weekly schedule of lessons for children in English, Maths and a range of topic areas. Their schedule is available weekly on the website. Click [here](#) to find out more.*

## #WDPSLearningProjects

*You and your child can decide how to record their learning. Some learning activities should be recorded in their home learning books, and others can be completed online. Some don't need to be recorded, just enjoyed by you and your child!*
