<p>Listen to your child read. Encourage them to engage with the teacher whilst watching the videos.</p>	<p>Use concrete resources around the house such as cubes, legos, toys or even pasta to show your child how the pattern is either getting bigger (increasing) or smaller (decreasing). Ask them, when we add one does it get bigger or smaller?</p>	<p>Watch the story with your child. Use my turn/your turn to summarise the story. You can even share your favourite part of the story.</p>	<p>Encourage your child to join in with the exercise video. Exercise is very important for their health and well being. They will be missing being active with friends in the playground. Make this a fun experience and join in!</p>

In addition to the above activities, exercise is very important for your child's health and wellbeing.

Limit the time your child spends on electronic devices and always monitor what your child is accessing online.

Please don't forget to complete the 'Daily Response' form by 9pm each day and send pictures to the school email - photos@williamdavies.newham.sch.uk

You can also share your child's work on Google Classroom. The login details are inside their school reading records.

Ms Frempong will be calling you on Tuesday so see how you are doing and Ms Islam will call on Thursday to answer any queries you may have related to your child's learning.
