Daily Learning Plan

Please do these activities at a time suitable for you and your child.

IMPORTANT: At the end of every day, click [this link](#) to show your child has completed all the activities.

Learning for: Friday 29th January 2021	Class: Reception	Teacher(s): Ms Rawan, Ms Frempong and Ms Salim	
Phonics	Maths	Literacy	PE
Your child is learning:	Your child is learning:	Your child is learning:	Your child is learning:
To recognise the letter sounds. To say the sounds accurately. To write the sounds. To blend sounds to make a word. To read and write words.	To say number names in order 1 - 10. To touch and count objects - one number name for each object. I am learning to combine two groups of objects to find out 'how many altogether?' To compare two groups of objects, saying when they have the same number.	To talk about the city and countryside and then make comparisons. To talk about how they travel to school.	To move my body in a range of ways and keep physically active.

Ms Rawan's phonics group, the Owls , please watch this video . You will be learning the 'k' sound today. Mrs Salim's groups the 'Parrots and the Robins' please watch this video . You will be learning word time 6. Mrs Salim's group the 'Eagles' please watch this video . You are now learning Ditty books.	Yesterday was Thursday , today is _____ and tomorrow will be _____. Sing the Days of the Week to help you remember. Matching 6, 7 and 8 First , watch today's video week 4 - Session 4 . You will first play a game where you are counting all the spots on the domino to find out how many there are altogether .	1. Today we are going to look at how people travel in the countryside. Watch this video . The video is about how two children go to school in the countryside. Think about the differences between travelling in the city and countryside. Watch this video Ms Rawan will explain the activity. Now I would like you to tell your grown up how you travel to your school. Do you walk to school?	Today we are going to be learning some Street Dance movements with Caroline. Reception loves their dance lessons with Caroline. Please ensure that your child takes part. First - Let's think about keeping ourselves safe: 1. Ensure that there is a safe space around you so that you can walk around the room and stretch your

[\(Adults, please pause the video when it's time for your child to count to answer the questions\)](#)

Next - Memory Game - Join in with this activity where you have to match numbers 6, 7 and 8. Your child will be learning the different ways that numbers can be represented (what they can look like).

Your turn - (Numbers 1 to 8)

If you have a printer you can print out the activity for your child to cut and then play - [Activity](#)

Or you can spend some time making your own cards.

Have Playing cards? - Use these to play snap

During all of these games, support your child to count the different quantities, match numbers and to say what they see.

Do you travel to school by car, bus, train or anything else?

This is how Ms Rawan travels to school
'I travel to school by car'

2. Now draw a picture of how you travel to school. Try writing a sentence.

- arms out wide and up high!
- 2. Wear loose, comfortable clothing.
- 3. Make sure you're wearing trainers or just your bare feet (not socks).

Now [join](#) in with Caroline, our Dance teacher.

Vocabulary: forwards, backwards, slow motion, freestyle.

Enjoy! - Remember to share your creative dance moves with us as we would love to see them.

How can I help my child?

Watch the video with your child and encourage them to engage with Mrs Salim. Pause the video when necessary and then continue.

You may add to the activity by encouraging your child to write their name, say and write all the previous sounds that they have learned. Below is the order of sounds. So if your child is on 'th' you can go over 'm to th' with them to ensure they have a solid understanding of sounds. Phonics is an important tool that will help your child to read and write.

How can I help my child?

Video - Pause the video frequently - this gives your child enough time to respond to the questions.

Incorporate counting into your child's day by **counting everything!**

How many plates/spoons/forks do we need?

How many steps to climb the stairs?

How many pieces of fruit in the bowl?

Sing counting songs

Counting songs, like [1, 2, 3, 4, 5...Once I caught a fish alive](#), can help your child to have fun with numbers.

Practice counting forwards and backwards

- numbers 1 to 20.

Recognising number

Encourage your child to look out for numbers all the time.

Can your child see the number 2 anywhere?

Sharing - Encourage your child to share objects - 1 piece of fruit each, 2 crackers each, 5 grapes each etc.

How can I help my child?

Watch the video, talk with your child about how the children travel to school- ask, is this how we travel to school? Is this similar or different to how we travel in the city?

How do we travel to school?

Encourage your child to draw a picture of how they travel to school. Tell them to talk about it. Your child can write the sentence or you can write it for them.

How can I help my child?

Pause and rewind the video so that your child can learn the routine and follow the instructions at their own pace. This is a fun activity for all the family to join in with.

In addition to the above activities, play is very important for your child's learning. [Click here for some ideas to help you with this.](#)

Every day, encourage your child to select and play with the toys they choose for at least 2 hours.

Play with your child but let them be in charge of the play.

Use [exercise videos](#) like this, to help your child stay active.

Limit the time your child spends on electronic devices and always monitor what your child is accessing online.

Please don't forget to complete the 'Daily Response' form and send pictures to the school email - photos@williamdavies.newham.sch.uk

Ms Frempong will be calling you every Wednesday to see how you are doing and Ms Rawan will call every Friday to answer any queries you may have related to your children's learning
