<p>Please watch this video for today's lesson.</p> <p>Click here to view your phonics book. Click here for your phonics book bag book.</p>	<p>5. Why do you think you had to count on from the largest number?</p>	<p><i>is 'fold'.</i></p> <p>Wash the dishes. What is the imperative verb in this sentence?</p> <p>Imperatives verbs are sometimes called a bossy verb.</p> <p>4. Listen to this song. Write down all the imperative verbs that you can find.</p>	<p>dance moves with us as we would love to see them.</p>

<p>Listen to your child read. Encourage them to engage with the teacher whilst watching the videos.</p> <p><i>Remember they can always use the speed sounds in their reading record to practice the sounds at anytime!</i></p>	<p>Ensure your child is counting on from the largest number. Explain that it is quicker to count from the largest number e.g. $8 + 3 = 11$, so from 8 you count 9, 10, 11. However if we counted on from the smaller number then, from 3 you would count 4, 5, 6, 7, 8, 9, 10, 11, which is longer.</p>	<p><i>A verb is a 'doing word'.</i> <i>It is a word that describes an action and tells us that something is happening - be it physical or mental.</i></p> <p>Watch the imperative verbs video with your child. Pause when the sentences come up on the screen so they can identify it and write it down.</p>	<p>Pause and rewind the video so that your child can learn the routine and follow the instructions at their own pace. This is a fun activity for all the family to join in with.</p>

In addition to the above activities, exercise is very important for your child's health and wellbeing.

Limit the time your child spends on electronic devices and always monitor what your child is accessing online.
