<p>Hello from <a href="#">Nursery</a>.</p> <p>Take a look at the story <a href="#">How Do You Feel?</a> How are you feeling today?</p>  <p>If you are feeling happy what do you like to do?</p> <p>What makes you happy?</p> <p>What makes you sad?</p> <p>What did you do over the school holidays? What did you enjoy? What did you not enjoy?</p>	<p>Talk with your child about what you did over the school holidays? What did they enjoy? What did they not enjoy?</p> <p>Provide your child with paper or card, pens, pencils or felt tip pens and ask them to mark make about their holiday.</p>	<p>Watch the videos below and sing along to them with your child. Show your child how you are using your fingers to show the numbers in the song.</p> <p><a href="#">5 Little Ducks</a></p> <p><a href="#">5 Little Men in a Flying Saucer</a></p> <p>Collect different small objects from around the home eg, bottle tops, beans, pasta, buttons etc. Start with "zero" and count up to five objects at first. Make sure your child touches each object and says the number name when they count.</p>

<p>Encourage children to take the lead when talking about the story.</p> <p>If the child can not recall all the events from the story praise them on the parts they do remember.</p> <p>Model sentences to your child, "I like to smile when I am happy".</p> 	<p>Try not to paint or draw for your child. Ask them about the marks they make.</p> <p>At this age, children's drawings are not clear and they may just make lines and some shapes like this.</p>  <p>That's fine! Praise your child and ask them to tell you about their marks.</p> <p>When they are in Nursery, children are still developing their pencil grip. Don't worry if your child uses a pen or pencil like this child.</p> 	 <p>Help your child practise showing the different numbers to 5 on their fingers. Children may find this a little tricky at first because they are still developing their finger strength.</p> <p>Touch each object as you count and say one number name as you touch each object. Children in Nursery are beginning to learn the number names so don't worry if they forget the order!</p> 

In addition to the above activities, play is very important for your child's learning. [Click here for some ideas to help you with this.](#)

Every day, encourage your child to select and play with the toys they choose for at least 2 hours, play alongside them and comment on what they are doing eg "the car is going over the bridge"

Play with your child but let them be in charge of the play.

Use [exercise videos](#) like this, to help your child stay active.

At nursery, at the end of each day we follow [Monkey Yoga](#) or [Cosmic Kids](#) . We use this time to focus on our breathing and reflect on all the fun activities we did at nursery.

Limit the time your child spends on electronic devices and always monitor what your child is accessing online.

Read a variety of stories with your child, use your finger to follow the flow of the words, take a look at [Booktrust](#) for a variety of stories to read online.

It is important to remember that children learn through play, and by following their own interests. Give your child choices and play with them!
