What shapes can you see in this picture?</p>  <p>3. Take a look at these 3D shapes. Watch this video to find out more about them. Can you find any of these shapes around your house? Make a list.</p>	<p>1. True or false?</p> <ul style="list-style-type: none"> Imperative verbs tell you what to do. A noun is the name of an object, person or place. Your name is a common noun. <p>2. What do you know about the moon?</p> <p>3. Take a look at our new story called Man on the Moon! What do you think is going to happen in this story?</p> 	<p>Today we are going to continue to learn a Street Dance sequence with Caroline, our dance teacher.</p> <p>First - Let's think about keeping ourselves safe:</p> <ol style="list-style-type: none"> Ensure that there is a safe space around you so that you can walk around the room and stretch your arms out wide and up high! Wear loose, comfortable clothing. Make sure you're wearing trainers or just your bare feet (not socks). <p>Next - Join in with Caroline's dance video.</p> <p>Enjoy! - Remember to share your creative dance moves with us as we would love to see them.</p>

<p>lesson. Click here to view your phonics book. Click here for your phonics book bag book. Click here to practice your new set 3 sound (oy - toy for a boy)</p>	<p>4. Match the 3D shapes to their names. 5. Read the instructions and colour the shapes. <i>(If you don't have a printer, ask your child what shape is this, for each shape).</i> 6. Which 3D shape do you think is hidden in this picture? Can there only be one possible answer or more?</p>	<p>4. Watch this video to find out what is your task for today.</p>	<p>Now it's time to have some water and maybe a piece of fruit.</p>

<p>Listen to your child read. Encourage them to engage with the teacher whilst watching the videos. <i>Remember they can always use the speed sounds in their reading record to practice the sounds at any time!</i></p>	<p>Talk about the 3D shapes you have around the house. The pyramid is also known as a square based pyramid. Explain that a cube and a cuboid have the same properties (this isn't mentioned in the video). For this question, talk about why it could either be a cube, cuboid or a pyramid and not a sphere.</p>	<p>Talk about the moon with your child. See what they know and share some facts that you know about the moon. You can also research some facts together about the moon. Ensure when your child writes a sentence, to start it with a capital letter and end with a full stop, however their questions must end with a question mark.</p>	<p>Pause and rewind the video so that your child can learn the routine and follow the instructions at their own pace. This is a fun activity for all the family to join in with.</p>

In addition to the above activities, exercise is very important for your child's health and wellbeing.

Limit the time your child spends on electronic devices and always monitor what your child is accessing online.

Please don't forget to complete the 'Daily Response' form by 9pm each day and send pictures to the school email - photos@williamdavies.newham.sch.uk

You can also share your child's work on Google Classroom. The login details are inside their school reading records.

Ms Frempong or Ms Islam will call every Thursday to see how you are doing and answer any queries you may have related to your child's learning.
