Listen to the story of The Very Hungry Caterpillar again.</p> <p>4. Create your own questions starting with 'what', 'when' and 'how'.</p> 	<p>The question we are going to answer today is: <i>What things tell us that someone belongs to Christianity?</i></p> <p>First, talk to grown ups about your family's beliefs. What? When? How? - What traditions and special events does your family celebrate?</p> <p>Now let's think about - What special clothes or objects might be clues about someone's religion. Look at these pictures and try and find clues.</p> <p>People who belong to Christianity have celebrated Christmas in December, and will soon be Celebrating Easter.</p> <p>What do you already know about these celebrations?</p>

<p>Listen to your child read. Encourage them to engage with the teacher whilst watching the videos.</p> <p><i>Remember they can always use the speed sounds in their reading record to practice the sounds at any time!</i></p>	<p>Whilst completing this task - show your child that we can count some of the dots in 2's, 5's or 10. It is also possible that instead of writing 31, some children may write 301 - you can write the number and say to them that in 31 the 3 represents 3 tens (30) and the 1 represents 1 one (1), and that 301 is three hundred and one. If this applies to your child, then please practice saying and writing numbers to 40.</p>	<p>When your child is filling in the blanks for the questions, remind them that the word is at the beginning of the sentence and must start with a capital letter. Encourage your child to write at least two questions starting with 'what', 'when' and 'how'.</p>	<p>Watch the videos with your child. Support your child to know about similarities and differences between themselves and others.</p>

In addition to the above activities, exercise is very important for your child's health and wellbeing.

Limit the time your child spends on electronic devices and always monitor what your child is accessing online.

Please don't forget to complete the 'Daily Response' form and send pictures to the school email - photos@williamdavies.newham.sch.uk

You can also share your child's work on Google Classroom. The login details are inside their school reading records.
