

**William Davies Primary School
Daily Learning Plan**

Please do these activities at a time suitable for you and your child.

We repeat and revisit activities to ensure children are confident with their learning

Learning for: Wednesday 24th February 2021	Class: Nursery	Teacher(s): Mr Woodward / Mrs Yusuf
Communication & Language Personal Social Emotional Development	Literacy	Maths
Your child is learning:	Your child is learning:	Your child is learning:
<p>To listen to stories with attention and to talk about what is happening in the story.</p> <p>To talk about key events from a story.</p> <p>To retell the story through actions or using objects.</p> <p>To talk about their own likes and dislikes.</p> <p>To talk about our own experiences.</p>	<p>To give meaning to the marks they have made.</p> <p>To mark make about their likes and dislikes.</p> <p>To talk about our own experiences.</p>	<p>Number names and 1 to 1 counting.</p> <p>To say some number names.</p>
ACTIVITY	ACTIVITY	ACTIVITY
<p>Take another look at the story Millie Shares, what does Millie not want to share? How does Millie feel?</p> <p>Do you have a favourite toy? What toys do you like to choose at nursery? Do you like to share your toys?</p> 	<p>Listen to the story Meesha Makes Friends. What do you like to make with your friends?</p> <p>What do you enjoy doing with your friends? Maybe you could write your friends a letter and tell them what you miss doing with them or write about what you enjoy doing with them when you are at nursery.</p> 	<p>Listen to the story 10 Little Princesses, what numbers do you hear?</p> <p>Read along with 10 Little Princesses, what numbers can you see in our counting story?</p>

Take a look at another story called Happy [Happy To Be Me](#) , What makes you happy? How do your friends make you happy?

Read along with [Happy To Be Me](#).

Read along to [Meesha Makes Friends](#).

Make some [Cornflour Mix](#), Your child will have endless fun. Picking it up and watching the mixture slide through their fingers! Talk to your child about what is happening.

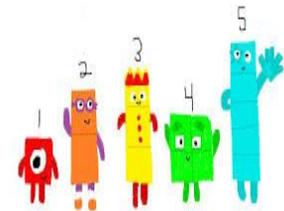

When children play with cornflour mix they are building up strength in their arms, wrist, hands and fingers. The act of squishing, rolling, flattening, poking, squeezing and pinching can help your child to develop the muscles needed to to write at a later stage.

[Counting buttons](#). Can you count along too? How many buttons do you see?

Counting songs,
[5 Little Ducks](#)
[2 Little Dickie Birds](#)
[5 Little Men](#)

How can I help my child?

Encourage children to take the lead when talking about the story.

If the child can not recall all the events from the story praise them on the parts they do remember.

Model sentences to your child, "Millie does not like to share her monkey."

How can I help my child?

Try not to paint or draw for your child. Ask them about the marks they make.

At this age, children's drawings are not clear and they may just make lines and some shapes like this.

How can I help my child?

Help your child practise showing the different numbers to 5 on their fingers. Children may find this a little tricky at first because they are still developing their finger strength.

Touch each object as you count and say one number name as you touch each object. Children in Nursery are beginning to learn the number names so don't worry if they forget the order!

That's fine! Praise your child and ask them to tell you about their marks.

When they are in Nursery, children are still developing their pencil grip. Don't worry if your child uses a pen or pencil like this child.

In addition to the above activities, play is very important for your child's learning. [Click here for some ideas to help you with this.](#)

Every day, encourage your child to select and play with the toys they choose for at least 2 hours, play alongside them and comment on what they are doing eg "the car is going over the bridge"

Play with your child but let them be in charge of the play.

Use [exercise videos](#) like this, to help your child stay active.

At nursery, at the end of each day we follow [Monkey Yoga](#) or [Cosmic Kids](#) . We use this time to focus on our breathing and reflect on all the fun activities we did at nursery.

Limit the time your child spends on electronic devices and always monitor what your child is accessing online.

Read a variety of stories with your child, use your finger to follow the flow of the words, take a look at [Booktrust](#) for a variety of stories to read online.

It is important to remember that children learn through play, and by following their own interests. Give your child choices and play with them!
