

The WDPS Chronicle

Safe. Happy. Challenged. Making memories.

Issue 20

- January 2021 -

Welcome back to another year of learning at William Davies. The world around us continues to change and, for many of us, learning from home is helping us to keep each other safe. Although it is not the start to the new year that we might have imagined, you have already given us lots to celebrate in 2021.

Well done to all of you, both children and adults, for focusing your enthusiasm and energy into our home learning. Thank you to the staff, families and children who are continuing to work hard to ensure that our school remains a safe place to learn.

Learning Continues at WDPS!

Many of us have turned our homes into our classrooms as learning has moved online. Some of us have continued to learn in school with the help of our school staff. One thing's for certain; there is no stopping WDPS when it comes to learning! Here is a snapshot of the wonderful things going on in our community - both at home and in school.
