Dear Parents/ Carers,

You are doing an amazing job at supporting your children while they are learning with you at home. We are acutely aware of the intense pressure parents are under at this time and understand there may be frustrations. Please be kind to yourselves and do what is best for the emotional wellbeing of your family. Please visit this website [NSPCC](http://www.nspcc.org.uk) for advice and support:

Remote Learning

The staff are grateful for the messages we have received thanking us for our incredible hard work and dedication. We are also very pleased that children are enjoying the breadth and creativity of the learning provided. At William Davies, we are committed to delivering a broad and balanced curriculum to engage the children, inspire their curiosity of the world and encourage expression. There have been a few enquiries regarding the amount of time to be spent on the work. As a broad guideline, depending on the age of your child, I would suggest working in short sessions with small breaks in between. Whatever your child (and you!) can manage is enough. Yours and your children's emotional wellbeing is the priority.

Parents' Survey

Thank you to the parents who have completed our survey, the responses are encouraging and also give us ideas to improve our provision.

If you would like to express your views please click on [this link to complete the survey](#).

Wider Re-opening of Schools

You will have seen the Prime Minister on the news yesterday, suggesting a road map out of this lockdown. Schools will not be open to all children until at least 8th March.

We will be closed to everyone for half term which is Monday 15th - Friday 19th February.

No remote learning will be set for that week.

As soon as we know a definite opening date, we will let you know the procedures for return. Once again, thank you for your support and encouragement as we, as a school, do our best to support our local community.

Very best wishes to you and your family,

SNorris
