

The WDPS Chronicle

Safe. Happy. Challenged. Making memories.

Issue 24
- July 2021 -

After a memorable and often unpredictable year, the summer holidays are finally in sight for us at WDPS. As this year draws to a close, we would like to thank you for all of your support, perseverance, and understanding. Here is your update on the fantastic things going on at our school at the end of the year at WDPS.

Y6 Get their Heads in the Game!

After many weeks of practise, Year 6 put on an impressive show as part of their leavers' performance of High School Musical. The all-singing, all-dancing cast showcased their fabulous skills during performances to children across the school, and their families.

The performance was made possible by the hard work and dedication of the children and staff in Year 6, who committed their time, weekends, and energy to what was an enjoyable and memorable performance. We wish we could watch it all over again!

Farewell, Year 6!

Emotions are running high as we prepare to say goodbye to our wonderful Year 6 class. Inayah took some time to write down what this year has meant to her and her classmates.

"Year 6 is a year where every memory should be cherished and where everyone should make the most of it. In Year 6, we have had an enjoyable year and we have to thank our teachers (Ms Sultana & Ms Akhtar) and our classmates for filling the year with life and fun. We would like to say that Year 6 has been our favourite year in William Davies Primary School and we will never forget it!"

Our Year 6 class leave our school as wonderful ambassadors for our community, having navigated an unprecedented year with grace and humour. They join schools across Newham as ambitious and creative learners who exemplify our WDPS learning powers. We are very proud of them, and wish them all well in their new adventures!

WDPS Celebrates!

Thank you to everyone who joined us to celebrate the achievements of children across the school during our recent achievement assemblies. The awards celebrate children who have championed our WDPS learning powers during the year. After an unusual year, it was great to come together to celebrate as a community

It has been another memorable year at WDPS, full of learning and laughter - even under tricky circumstances. See you in September!

Nursery Places Available

There are currently places available at the WDPS nursery. Children are able to join the nursery from their 3rd birthday. We have 30 hour places available for eligible families.

Staying Safe

If your child, or anybody in your household, has COVID-19 symptoms, or takes a test, the whole household must stay at home until they have received a negative test result. Following government guidance helps us to protect our whole school community. Thank you for your understanding.

WDPS Governors

After many years of supporting our school, Tim Potter is stepping down as our Chair of Governors. Thank you, Mr Potter, for your enthusiasm and guidance. We welcome Ms Sarah-Jo Loveday as our new Chair of Governors.

Remember to keep reading together at home!
