

The WDPS Chronicle

Safe. Happy. Challenged. Making memories.

Issue 26
- November 2021 -

We are now over half way through the Autumn term and, as usual, there are lots of exciting things going on at our school. After a busy first term, and a short break, we have returned to school feeling fresh and ready to learn. Here's your update on the wonderful experiences we have shared at William Davies this month.

Y6 Tackle Fairplay House!

Our Y6 class demonstrated their learning powers in full force during their recent visit to Fairplay House. The class took on a variety of physical challenges, developed their independence, and even made time for a disco! It looks like a fantastic time was had by all!

The residential visit was an opportunity for our Y6s to take their learning outside of the classroom, and collaborate in new and exciting ways. The class displayed boundless enthusiasm, were truly adventurous, and acted as fabulous ambassadors for our school. Many special and happy memories were made during the visit!

Y1 & Y2 Enjoy Movie Night!

Children in Y1 and Y2 had a fantastic time at their recent movie night. They snuggled up with their favourite toys and enjoyed popcorn and juice during the supersized screening of Reya and the Last Dragon. Children in Y3 - 6 have their own movie nights to look forward to in the next few weeks. Pass the popcorn please!

Inside Out Day Enjoyed by All!

WDPS was in disarray last month, as everyone came to school with their clothes inside out! Luckily, the confusion didn't last long - it was just another of our WDPS fundraising days! The day is one of many planned by our PTA to help to raise money to support our school community. Thankfully, we all remembered to come back with our clothes the right way round the next week!

Thanks to our PTA for helping to make this month a memorable one! Christmas is just around the corner - see you in December!

Nursery Places Available

There are currently places available at the WDPS nursery. Children are able to join the nursery from their 3rd birthday. We have 30 hour places available for eligible families.

Staying Safe

If your child has COVID-19 symptoms, they should take a test and stay at home until they have received a negative result.

Call school if the test result is positive.

Following government guidance helps us to protect our whole school community. Thank you for your understanding.
