

The WDPS Chronicle

Safe. Happy. Challenged. Making memories.

Issue 25
- September 2021 -

Welcome back to a new school year at WDPS. It feels great to be back in class with our friends and teachers following the summer break. As usual, classrooms are abuzz with the sounds of discovery and learning.

Here's your update on what has been going on this month at William Davies Primary School.

Y2 Reading Cafe Huge Success!

Thank you to all adults and children who attended our inaugural reading cafe this month. Our reading cafes are a chance for families to enjoy reading together, with the added bonus of biscuits and tea!

Each class will have their own reading cafe every term.

Art Project Gets Us Thinking!

Four children from Years 5 and 6 travelled to Dersingham Primary School recently to participate in a project about the power of art. They had the opportunity to collaborate with other schools and develop their knowledge of influential artists. What an empowering experience!

Hello Yellow 2021!

Following last year's success, Hello Yellow Day was celebrated at school earlier this month. We rummaged in our wardrobes to find something yellow to wear, and spent some time reflecting on things we can do to protect our mental health. We understand the importance of being kind to our minds after a busy few weeks back at school!

Welcome to Our New Chair of Governors!

William Davies would like to welcome Ms Sarah Jo Loveday as our new Chair of Governors. We look forward to working together to support our school community and provide the best possible experiences for our children.

It's been a busy month at WDPS - as if we have never been away!
See you next month!

Nursery Places Available

There are currently places available at the WDPS nursery. Children are able to join the nursery from their 3rd birthday. We have 30 hour places available for eligible families.

For more information, please contact our school office on

Staying Safe

If your child, or anybody in your household, has COVID-19 symptoms, or takes a test, the whole household must stay at home until they have received a negative test result. Following government guidance helps us to protect our whole school community. Thank you for your understanding.

Join Our PTA!

Join our growing Parent Teacher Association and help organise exciting fundraising activities for our school community! Our PTA has helped to organise a range of events in recent years. For more information, please speak to Ms Akhtar.

Remember to keep reading together at home!
