Issue 28
- February 2021 -

It's a new year at WDPS and we are back with a bang! It has been another busy half term at our school. As always, there are plenty of exciting things going on at WDPS. Here is your latest update on some of the things that have been going on in our classrooms in 2022!

Y4 Walk like Egyptians!

As part of their History topic, Year 4 travelled back in time to Ancient Egypt! They turned their hands to a variety of different Egyptian-themed activities, including pyramid building and mock mummification. The class even made time for a spot of baking - using an ancient recipe of course!

It looks like a fantastic day was had by all!

Y5 Collaborate with an Artist!

Year 5 embraced an exciting opportunity to collaborate with a local artist earlier this term. The class worked with Rebecca Griffiths, a London-based sculptor and artist, to create their own commemorative medals. The artworks, which were cast in jesmonite and polished by the class, celebrated important aspects of the children's identity.

The final artworks will be on display this school later this year.

Reception Hit the Books!

Children in Reception enjoyed a recent trip to Manor Park Library. They took a ride on the bus, before listening to a story and perusing the shelves for their own book to borrow. We are fortunate to have many wonderful libraries to visit in our local area.

Feeling inspired? Try taking a trip to your local library during the half term break!

There are so many exciting things going on so early in the year. Have a great half term break, see you in March!
