Safe. Happy. Challenged. Making memories.

Issue 30  
- May 2022 -

It has been a busy half term at WDPS, and Summer is now right around the corner! As usual, there have been plenty of lovely things going on at our school. This is your latest update from the classrooms of WDPS!

## WDPS Embrace All Things S.T.E.M!

Following the success of last year's dedicated S.T.E.M day, children at WDPS have been enjoying our recent S.T.E.M week. Children across school have spent the week embracing all things to do with Science, Technology, Engineering, and Maths. It was a week full of exploration, exciting discoveries, and collaboration. We had so much fun!

## Y1 and Y2 Entertain with Special Assemblies!

Congratulations are in order for children in Years 1 & 2 after they entertained us all during their special assemblies earlier this term. Y2 taught us all about the story of Easter, and Y1 helped us to celebrate Eid-ul-Fitr. It was wonderful to welcome parents back into the school to watch the performances, which were enjoyed by all!

## PTA Afternoon Tea Huge Success!

Our PTA are truly on a roll, after they organised another wonderful event for our school community earlier this term. The afternoon tea gave parents, carers (and little ones) a chance to catch up over cake and a cup of tea. The event also helped to raise funds for our school.

Thanks to everyone who came and to our PTA, who have organised many lovely events for parents and children at school this year.

We can't believe the last half term of this year is almost here! There is lots to look forward to this Summer. Have a great half term break!
